Report Data

Asset ID	Type	Priority	Description	Reason	Expected Execution Date	Actual Completion Date	Status
ASSET-001	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-02	—	open
ASSET-002	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-03	—	open
ASSET-003	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-04	—	open
ASSET-004	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-05	—	open
ASSET-005	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-06	—	open
ASSET-006	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-07	—	open
ASSET-007	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-08	—	open
ASSET-008	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-09	—	open
ASSET-009	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-10	—	open
ASSET-010	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-11	—	open

Asset ID	Type	Priority	Description	Reason	Expected Execution Date	Actual Completion Date	Status
ASSET-011	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-12	—	open
ASSET-012	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-13	—	open
ASSET-013	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-14	—	open
ASSET-014	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-15	—	open
ASSET-015	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-16	—	open
ASSET-016	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-17	—	open
ASSET-017	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-18	—	open
ASSET-018	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-19	—	open
ASSET-019	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-20	—	open
ASSET-020	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-21	—	open
ASSET-021	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-22	—	open
ASSET-022	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-23	—	open
ASSET-023	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-24	—	open
ASSET-024	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-25	—	open
ASSET-025	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-26	—	open
ASSET-026	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-27	—	open
ASSET-027	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-28	—	open
ASSET-028	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-01	—	open

Asset ID	Type	Priority	Description	Reason	Expected Execution Date	Actual Completion Date	Status
ASSET-029	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-02	—	open
ASSET-030	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-03	—	open
ASSET-031	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-04	—	open
ASSET-032	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-05	—	open
ASSET-033	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-06	—	open
ASSET-034	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-07	—	open
ASSET-035	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-08	—	open
ASSET-036	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-09	—	open
ASSET-037	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-10	—	open
ASSET-038	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-11	—	open
ASSET-039	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-12	—	open
ASSET-040	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-13	—	open
ASSET-041	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-14	—	open
ASSET-042	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-15	—	open
ASSET-043	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-16	—	open
ASSET-044	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-17	—	open
ASSET-045	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-18	—	open
ASSET-046	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-19	—	open

Asset ID	Type	Priority	Description	Reason	Expected Execution Date	Actual Completion Date	Status
ASSET-047	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-20	—	open
ASSET-048	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-21	—	open
ASSET-049	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-22	—	open
ASSET-050	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-23	—	open
ASSET-051	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-24	—	open
ASSET-052	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-25	—	open
ASSET-053	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-26	—	open
ASSET-054	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-27	—	open
ASSET-055	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-28	—	open
ASSET-056	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-01	—	open
ASSET-057	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-02	—	open
ASSET-058	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-03	—	open
ASSET-059	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-04	—	open
ASSET-060	preventive	medium	Scheduled preventive inspection with detailed operational notes and safety checks.	Routine service interval	2026-09-05	—	open
